

Product Substitution Request

Submitted To: _____

Project: _____

Specified Item: _____

Specification Section: **Masonry Accessories**

Proposed Substitution: **No-Bow Termination Strip**

- No bow design- butyl adhesive will keep the termination strip from bowing.
- TPO with butyl adhesive allows for the termination strip to be mechanically fastened and adhesively attached.
- Easy to cut and install- one person installation.
- UV stable/Will not corrode or rot.
- Excellent bond to a variety of substrates and provides a watertight bond.
- No-Bow is a 50' termination strip which allows for a continuous one-piece installation.

Technical data sheet includes product description, specifications, performance, and test data adequate for evaluation of the request. If not present, is available at www.yorkflashings.com or 1-800-551-2828

The undersigned certifies that the following paragraphs, unless modified by attachments, are correct:

1. The proposed substitution does not affect dimensions shown on drawings.
2. The proposed substitution will have no adverse effect on the other trades, the construction schedule, or specified warranty requirements.
3. Local support and availability will be available for proposed substitution.
4. Mock-up wall materials available upon request.

The undersigned further states that the function and quality of the proposed product substitution is equivalent or superior to the specified item.
